spars, and a large emotion of accomingments, etc. B.

Frem a gentleman just from Western Virginia we got same interesting particulars of the attack en Charlestown by Gen. Imboden—in fact, the frai authentic secount we have had of the affair

Week before last Gen. Imbalies conceived the sis, per line, and all other articles not of general public lifes of a movement on Charlestown, with a view of surprising and environment of surprising, stories, supplies, etc. Accordingly, all being ready, he started out from B myville for Charlestown with his command-of what number it is not pruden to say-on the morning of Tuesday, the 18th, about two o'clock. After a march of some four or five hours-about seven o'clock in the morn--Charlestown was reached, wherebeen a balt. ige of Capt. McNeil, demanding a surrender the enemy which was relused

The enemy's socition and confidence no doubt converted into temporary forts, an r walls had been pierced by port boles. The ance by singing and chanting that famous Abomonlorning in the grave," etc.

On henring that the cuerry referred to errender Gen. Imbeden jamediately ordered fire to be opened upon the town, directing principally against the court house and juli. The lys area became too hot for the enemy, and he can quickly driven from his places of shelter and repidly retreated from the town. In his flight he was closely pursued by our cavalry Maj. White's bentalion leading in the charge. We succeeded in taking four hundred and thirty-four prisoners, with all their srms and equip-

On being driven to retreat, the anomy inten-listely communicated with Harper's Perry, a distance of but eight miles, and the result was hat he was speedily reinforced with two regiments of infantry, two battal one of cavalry, an oper on hand, suitable for the finest work.

Geders will be promptly filled by experienced in before had secomplished his object—a dash and surprise of the garriers—and fell back in good order, with a rich haul of provisions and

The affair was a complete success, and our men returned from it in the best spirits, though baying marched with either but little food or mat

From Rast Transposes.

The Register has information from East Tenmores to the effect that the Federals have evacusing London, excessing the river and burning their bridge behind them. Our envelry have been ordered to that place. Sen. Vanghu has mountains, bringing with him as prisoners one captain and seventsen privates of Bryang's command. They also killed seven, making twenty-five, which was about one-third of Bryann's whole force. There are now no Federals his side the Tennesses river in that section.

We also clip the following from the Register 2 General Revealds now commands in Athens, wil administration of the district which he govus. The storehouses that were filled when Federal legions occupied the place are accessible Southern soldiers, and Confederate notes supplant "green backs" in the marts of trace. His mon strut through the structs arrayed in all the torgery of Yankee vanity and uplender, and a commissariat which a Sybarite might have mjoyed, opens its stores to the hungry soldlery

The operations of Gon. Revealds are not confined to these miner matters. He is collecting gis. His pression certificate was issued February 25, 1856, under the act of June 7, 1832. South. He sudders are more ruffines; its officers, and by reference to his order, published in an-

Reynolds is perhaps the mes popularity is boundless, and his conduct at Vielesburg and everywhere throughout the war has

A Successful Dush Upon the Enemy.

From the Pataraburg Express.) We have conversed with a gentleman who reand have learned from him the particulars of a emesseril dash recently made upon the enemy by Major Edgar Burroughs' battalies of partior rangers, who are operating in that section. Major Burroughs statted with his communal the 15 h. They sailed up North river to Bethacra, in Princess Anne county, Va., arriving Cant Grandy's, and a detachment of Captain Sanderlin's companies, ware piaced in position, near the river, to watch the movements of the

Yankso bouls.
In about one hour the steamer J. B. White, aving in tow a rise of dredge and three lightons. was seen coming down the river. The men reoptain and nine of the craw were puroled and sent to Norfolk, and two negroes were sent to Rabish, and the steamer, dredge and lighters

Learning that the mail steamer Pawn was on her way down the river, Captain @month his command, and a portion of Captain Catter's, danger night. As she zapresubed the ferry, her harrience deck was discovered to be growded him, when he suddenly appeared in full view with his men, and ordered a surrender. An ethom his uniform, cried ont, "For God's sales don't shoot, we surrander." The host was go below, beliaving they would come ashere but in the Resping with the Yackes character, as oon as they went below they put on sheets not un by. When Cac'sin Grandy directored this scooch of faith, he ordered his tone to tire, and one she turned the point. It was learned after

wards that six or eight were killed. Although the Farm and her crew and casmgers escaped, the object of the expedition was accomplished, wint the stopping of the transit of the United Scales mail between Norfells and Nowbern, and other points on the Car

Major Burrough's command is doing good service to that section. Since this battellon was awar depreciations in Princess Anne and Curri-nek counties, and the little thieving squads that ormerly rouned through the county, have been All the Yankoe forces have been removed from South mills, Curritack canal heldge, and Conftage court house. Cant. Sanderlin's company have been very efficient in Currituels county. If companies I be there were formed in every great good would be dene. It would show that

while an armed force may overrun, they cannot Maj. Burroughs deserves much credit for amaing and organizing a battalion in a section of
